LB 621, 408

CLERK: 25 ayes, 0 nays on the motion to advance the bill.

SENATOR MARSH: The bill is advanced. We are now ready to speak on LB 408.

CLERK: Madam Chair, LB 408 was introduced by Senator Warner. (Read title.) The bill was read on January 18th, referred to the Miscellaneous Subjects Committee. The bill was advanced to General File. There are committee amendments pending by the Miscellaneous Subjects Committee, Mr. President.

SENATOR MARSH: Senator Hefner.

SENATOR HEFNER: Madam Chairperson, I move for the adoption of the committee amendments to LB 408. What this would do, it would require the proceeds from the sale of these two parcels of land to be deposited into the state general fund rather than to the Department of Institutions. These two tracts of land are in Hall County and the Department of Roads made these two tracts of land and the money...the way the bill was originally written said that the money would go to the Department of Institutions, and we changed that to be deposited in the state general fund.

SENATOR MARSH: Thank you. Is there further discussion? Seeing no lights, we will now vote on the adoption of the committee amendments to LB 408. All those in favor signify by voting yes, opposed no. Senator Warner, are you ready to talk on it? We need 25 votes to adopt the committee amendments. Senator Marsh voting aye.

CLERK: Senator Marsh voting yes.

SENATOR MARSH: The Clerk will record. We are going to get people on the floor, or...Senator Warner is asking to have a Call of the House. All those in favor signify by voting aye, opposed no, for a Call of the House. The Clerk will record.

CLERK: 12 ayes, 0 nays to go under Call.

SENATOR MARSH: We are under Call. Will the senators please return to their seats and punch your green buttons to indicate your presence.
